Subject: Letter of Appreciation for forwarding my application to Calcutta University

Respected Madam,

I, Ashmatara Begum (CU Roll Number 203026-11-0093) student of Food & Nutrition Department, writing to express my heartfelt gratitude for the invaluable support extended to me during a challenging period of my life.

As you are aware, I met with a severe accident on the 30th of April, 2023, which required me to undergo surgery on the 2nd of May, 2023. This unfortunate incident occurred just before my final B.Sc. 6th semester examinations 2023 in Food & Nutrition Hons under the CBCS system. Given the circumstances and the medical emergency, I was deeply concerned about my ability to appear for the above mentioned examination.

I sincerely appreciate your prompt action in forwarding my application for extra time. Your immediate response played a crucial role in ensuring that my request was sanctioned by the Calcutta University. The granted additional time of 20 minutes per hour for each paper has significantly helped me in completing my examinations without the added pressure of time constraints, despite my medical condition.

I am truly grateful for the support, understanding, and encouragement provided by the college during this difficult time. Thank you once again for your kindness and assistance. I am honored to be a part of such a considerate academic institution.

Yours Sincerely,

## General Secretary of Students: About College

### Report on College Observations for the Year 2022-2023

Prepared by Aantolina Dutta, Former General Secretary of Students' Council

#### Introduction:

As the former General Secretary of Sister Nibedita Government General Degree College for Girls for the academic year 2022-2023, I had the privilege of closely observing various aspects of college life. This report aims to provide insights into the positive aspects and areas of improvement based on my observations.

#### Study Environment and Teacher Support:

The study environment at our college remained conducive to learning, fostering academic excellence among students.

Teachers consistently demonstrated their helpfulness, providing guidance and support to students, thereby enhancing the overall learning experience.

#### Student-Friendly Head of the Institution:

Our Officer in Charge exemplified remarkable student-friendliness, actively engaging with students and addressing their concerns, thus fostering a supportive environment.

#### Assistance During Examinations:

Notably, during the semester 4 examinations, the college provided valuable assistance when I encountered an accident. Two teachers were promptly sent to the examination center by our Officer in Charge the following day, exemplifying the college's commitment to student welfare. Similar support was extended to another student, Asmatara Begum, ensuring suitable arrangements for her examinations despite facing a car accident.

#### Recent Courses and Workshops:

**Cancer Biology** (May 15-20, 2023): This comprehensive course delved into the molecular mechanisms driving cancer development and progression, covering the latest research and treatment strategies. Participants gained valuable knowledge, enhancing their academic and professional growth.

**Performing Arts - Theatre and Public Speaking** (October 17 - November 2, 2022): A series of engaging workshops focused on building students' communication skills, stage presence, and confidence in public presentations through practical exercises in theatre and public speaking.

*Aantolina Dutta*  
23/11/22

Page 1 of 4

**MSDS Preparation** (September 20-30, 2021): A specialized workshop educated students on preparing Material Safety Data Sheets (MSDS), emphasizing safety protocols and best practices for handling hazardous materials in laboratory settings.

**Hematological Pathology** (June 6-11, 2022): This focused course explored the diagnosis and understanding of blood-related diseases, providing a detailed perspective on the pathological processes of various hematological disorders.

#### Initiatives for Competitive Exams and Cultural Activities:

A dedicated class was organized to help students prepare for competitive exams, contributing to their career advancement opportunities.

Throughout the academic year, various cultural activities were organized, including dance, singing, drama, and essay writing competitions, providing students with opportunities for holistic development alongside their studies.

#### Community Outreach and NSS Campaigns:

The NSS unit of our college led numerous campaigns aimed at community welfare, including distributing food packets, sanitary pads, and imparting knowledge to underserved communities in slum areas, reflecting our commitment to social responsibility.

#### Hygiene and Infrastructure Improvements:

Despite some concerns about the cleanliness of the toilets, proactive measures were taken upon notification. Our Officer in Charge, along with the student councils, personally inspected the facilities to ensure hygiene standards were maintained.

Furthermore, water filters were installed on every floor to address drinking water issues, prioritizing student health and well-being.

#### Facilities and Resources:

Our college provides full WiFi access for students' study purposes, along with a well-equipped library facility, facilitating research and academic endeavors.

#### Resolution of Generic Syllabus Issue:

At one point, we faced challenges regarding the generic syllabus. However, upon discussing the issue with the Officer in Charge, suitable arrangements and necessary changes were made to alleviate the concern. The teachers of our department also contributed by providing study materials related to the subject, which significantly aided students in passing the semester.

*Aantolina Dutta*  
23/11/22

Page 2 of 4

#### Abundant Greenery:

The college campus boasts a picturesque landscape adorned with an abundance of trees, providing not only aesthetic appeal but also environmental benefits. The presence of trees creates a serene and tranquil atmosphere, conducive to academic pursuits and student well-being. As part of our commitment to environmental sustainability and campus beautification, a tree adoption initiative was introduced. Students and faculty members were encouraged to participate in this initiative by adopting trees and taking responsibility for their care and maintenance.

#### Quality of Food:

The canteen at our college has consistently provided a diverse and nutritious range of food options, catering to the varied preferences and dietary requirements of students and staff. From wholesome meals to quick snacks, the canteen menu has been well-received by the college community.

#### Annual Sister Nibedita Memorial Lecture:

Various distinguished guests were invited to deliver important lectures during the annual Sister Nibedita Memorial Lecture. These lectures served to broaden students' knowledge and perspectives, enriching their educational experience beyond the classroom.

#### Sports Events and Activities:

Sports events were organized every year, featuring a variety of games and activities that engaged students, teachers, and non-teaching staff alike. The inclusion of a march past added to the sense of camaraderie and school spirit, culminating in the awarding of prizes to participants, fostering a culture of healthy competition and teamwork.

#### Support for Student Initiatives:

The college administration, including the Officer in Charge and teaching faculty, actively supported student initiatives such as picnics. Their contributions and assistance in organizing these events were invaluable, providing students with opportunities for relaxation and bonding outside of academic pursuits.

#### Anti-Ragging Measures:

An anti-ragging cell comprising various teachers and students was established to ensure a ragging-free and positive campus environment. This proactive approach demonstrates the college's commitment to maintaining a safe and welcoming atmosphere for all students.

#### Orientation Program for New Students:

During the admission process, an orientation program was held to acquaint new students with the college's policies, facilities, and resources. The Officer in Charge personally

*Aantolina Dutta*  
23/11/22

Page 3 of 4

welcomed and greeted incoming students, fostering a sense of belonging and integration within the college community from the outset.

#### Zero Tolerance Towards Sexual Harassment:

The college implemented a zero-tolerance policy towards sexual harassment, conducting annual programs to raise awareness and educate students about their rights and avenues for recourse. These initiatives underscore the college's commitment to creating a safe and supportive environment for all female students.

#### Conclusion:

In conclusion, the academic year 2022-2023 witnessed significant achievements and improvements in various aspects of college life. While commendable progress was made, there is always room for enhancement. I am confident that with continued dedication and collaborative efforts, Sister Nibedita Government General Degree College for Girls will further excel in nurturing a conducive learning environment and promoting holistic development among students.

## REPORT ON COLLEGE OBSERVATIONS FOR THE YEAR 2023-2024.

Prepared by Saraswati Kumari, as the General Secretary of Students Council.

### INTRODUCTION:

As the General Secretary it is my privilege to present this report highlighting the achievements and progress of our college over the past year. This report reflects the collective efforts of our dedicated faculty, motivated students, and supportive administration. We have strived to create an environment that fosters academic excellence, innovation, and holistic development.

### STUDENT FRIENDLY OFFICER IN CHARGE:

Our officer-in-charge fosters an open and supportive environment, ensuring every student feels valued. She is approachable, encourages student participation in decision

specialised coaching, workshops, and access to extensive study resources. Regular mock tests and guidance sessions from experienced faculty help students sharpen their skills and boost their confidence. In addition to academic support, the college promotes cultural activities, organising various events that celebrates diversity and creativity. These initiatives provide students with a platform to showcase their talents, develop leadership skills, and build a strong sense of community. Together, these efforts ensure a well- rounded and enriching college experience.

### COMMUNITY OUTREACH AND NSS CAMPAIGNS:

Our college is deeply committed to community outreach through various initiatives that encourages students to engage in social service and make positive impact. The National Service Scheme (NSS) campaign programs are a vital part of this effort, providing students with opportunities to

making and promoting a positive campus culture. Her focus is on student well being, and all round success of students, making the college experience enriching and enjoyable.

### STUDY ENVIROMENT AND FACULTY SUPPORT.

Our college offers a dynamic and conducive study environment that encourages academic growth. The faculty members are highly qualified, approachable, and dedicated to supporting students in their learning journey. They provide not only academic guidance but also mentorship, helping students to realise their full potential. This combination of positive atmosphere and strong faculty support creates an enriching educational experience. Although, the English department suffered from noticeable lack of faculty imparting the quality of education and hindering student's academic progress.

### INITIATIVES FOR COMPETITIVE EXAMS AND CULTURAL ACTIVITIES:

Our college actively supports students preparing for competitive exams by offering

participate in rural development, health awareness drives, and environmental conservation. These activities not only foster a sense of social responsibility but also help students develop leadership and teamwork skills. Through such initiatives, our college nurtures compassionate and responsible citizens.

### ADD ON COURSE:

The add on course was about "Simple methods of detection of adulterants in food – A road to food safety", organized by our college was attended by me and many other students. We learned about common adulterants in food, their harmful effects on health, and methods to detect and prevent them. We were assigned tasks to identify adulterated food and making assignments on various food adulterants, their health risks, and techniques to identify them the assignments were evaluated and certificates were given to those who

attended the class. The class was beneficial as it raised awareness of food safety and equipped me with practical skills to ensure the consumption of safe and unadulterated food.

#### VALUE AND ETHICS ENRICHMENT:

The college organized a value and ethics enrichment program attended by students over several days. The program featured lectures from various dignitaries, including esteemed members of the Ramakrishna Mission, who imparted wisdom on moral and ethical values. This initiative aimed to instil a strong ethical foundation in students, guiding them towards personal and professional excellence.

#### HYGIENE AND INFRASTRUCTURE IMPROVEMENT:

Our college prioritizes hygiene infrastructure improvement to ensure a clean, safe, and conducive learning environment. Regular sanitation drives, upgraded facilities, and well

harassment, supported by awareness programs, grievance cells, and prompt action mechanisms. These initiatives ensure that every student can pursue their education in a secure and supportive atmosphere.

#### SPECIAL ASSISTANCE BY OFFICER-IN-CHARGE.

The officer-in-charge offers dedicated support to address and resolve student's personal and academic issues, ensuring their well being and success. Notably during fifth semester examination, there was an issue with dates of admit card distribution, as the students wanted the date to be advanced, which was made possible for the swift actions of OIC ma'am.

#### STUDENT FRIENDLY ENVIRONMENT:

As the General Secretary, I commend the faculty, principal, and students for their collaborative efforts in fostering a supportive and inclusive college environment. The faculty's dedication, the OIC's approachable leadership, and the student's active participation have collectively contributed to

maintained campus spaces reflect our commitment to student well-being. Continuous efforts in providing modern infrastructure supports both academic and extracurricular activities, enhancing the overall college experience.

#### FACILITIES, RESOURCES AND ABUNDANT GREENERY:

Our college provides full wi-fi access for students ensuring seamless connectivity and access to online resources and learning. The library offers a vast collection of books and a serene environment, fostering academic excellence and intellectual growth. To ensure menstrual hygiene, our college has installed sanitary napkin vending machines, ensuring easy and discreet access for all students. The abundant greenery on the college campus creates a serene and refreshing environment, enhancing well being of members of college.

#### COLLEGE FOOD COURT:

our college's success. This unity and commitment are pivotal in creating a positive and enriching academic experience for everyone.

#### CONCLUSION:

As we conclude the academic session of 2023-2024, we celebrate remarkable achievements and growth of all students in all sphere- academic, sports, and personal growth.
